Positioned in the grounds of Otford Primary School, we offer an excellent Pre-School Education, in a happy, safe and secure environment. Our location gives children a unique opportunity to make a seamless transition to their Primary School.

Learning through play, both indoors and in our wonderful enclosed garden, the children follow the foundation Stage Curriculum, run by fully qualified staff, including a qualified teacher.

This year we are also delighted to be able to offer Music lessons and 'Top Start,' the acclaimed Early Years Physical development programme, in the school hall.
