Chairman's Report
Where do I start this month – the car park is still high on everybody’s agenda, as it ours. There have been initial teething problems with people not complying with the one-way system, mainly in the mornings, but also later in the day, as well as parking in unauthorised areas (double yellow lines). Why is that? - Well I put it down to ignorance or selfishness, or both as there are safety implications in not obeying the one-way requirements and parking on the double yellow means that ingress/egress to some of the parking bays is restricted. What are we going to do about it? - Well our local PCSO has been informed and will make random visits to monitor the situation. If it the car owner does not comply with the parking requirements, I am informed that the PCSO does have the right to hand out a ticket under Section59 of the road traffic act - you have been warned!
Whilst on the topic of the car park, several rumours have been circulated about a codicil being placed on the car park to prevent charging - wrong - there is no codicil in place and the pay and display WILL be implemented just as soon as we have sorted out a planning issue and another relating to permits.

There have been other rumours circulating about the charges being unaffordable and the Hall having to close. Remember it was the hall management that wanted us to prevent all day parking. A Stakeholders Group comprising residents and other interested parties was set up to assist in arriving at the proposed charges. The charges are aimed at preventing long term parking whilst remaining generous for the short term parkers. Charges will be applied from 7.00am to 6.00pm. The first hour will be free; the next 2hrs will be charged at 50p/hr; thereafter the charge will be £1/hr. - so for 3hrs the charge will be £1 and for 8hrs the charge will be £6.00. Saturdays will be the same for short stays or £2 all day. Sundays and Bank
Holidays will be free. These charges will be reviewed every six months and amended if required, but we must bear in mind that the income has to be sufficient to run the car park and pay for the operators.

And now for some good news. By the time you read this article you will already have seen on TV, read in the local paper, or heard on-line, that the pond has been awarded the “Roundabout of the Year” award. Well done Otford. A special thanks must go to Brian Thomas our “pond keeper” and to our previous Chairman and Clerk, John Allen and Barbara Darby for all the hard work and hassle they had to endure during the rebuilding process. At one stage it looked like nothing would be achieved, but eventually common sense prevailed and we have today what has become an iconic landmark. Revealing the winner on Chris Evans’ morning show on Radio 2 on the 7th October, Kevin Beresford, president of the UK Roundabouts Appreciation Society, branded the pond as “Quintessentially the most English roundabout I have ever seen”.

Would anyone like to donate a bench in memory of a loved one to replace one in the Otford cemetery? If so please contact the Parish Council office on 01959 524808

Please do not use staples to put up posters on the village notice boards as removal of them (75 on one board!) damages the wood. Please use drawing pins. Thank you for your cooperation.

**Defibrillators**

The village First Responder, Stan Willis, is spearheading a campaign to install 3 defibrillators in the village to be sited outside Yvonne’s Shop in Telston Lane, The Parish Council Office and the Post Office. This campaign is supported by the Parish Council and donations are being sought towards the cost. Once the equipment has been funded Stan will run a training session for residents who wish to understand how defibrillators can be used to save lives. If you would like to make a donation or attend the training please contact the Parish Office.

**Remembrance Day 2013**

Please remember that traffic will be halted at the pond between 10.45am and 11.15am on Remembrance Day Sunday 10th November So if you are making a journey please get through before but if you do get caught please just be patient and remember why you are waiting. WEAR YOUR POPPY WITH PRIDE.

Thank you.

Scams - and how to avoid them

Fraudsters are trying to trick people in Kent into revealing PIN numbers and handing over their bank cards. DON’T BE FOOLED.

This is how they do it:
1. A fraudster calls pretending to be the police or from your bank, they claim your bank account has been used fraudulently.
2. They tell you to hang up and call the police or bank to ensure the call is genuine. They stay on the line so when you redial you think you are through to the police or the bank but you are NOT. They then tell you to give them your PIN number.
3. They send a taxi or courier top collect your card. With your card and PIN they can access your money.

Remember:
The police and banks will NEVER ask for your PIN or bank card over the phone. So NEVER give them to anyone. If you think you have been a victim of this type of crime, call Kent Police on 101. If the incident is currently in progress then call 999.

Otford Remembered - 1914
2014 sees the 100th anniversary of the outbreak of the Great War - a tragic time that brought sorrow and hardship throughout the country. We have a unique opportunity to commemorate that event and remember the people who endured those years. 'Otford Remembered - 1914' is a dramatic presentation proposed for Spring 2014. It gives a glimpse of life in Britain and Otford at that time before the outbreak of war. The Otford Community Choir will sing songs of the era many of them still familiar to us. HELP IS NEEDED for this community project. Please, please join in if you can. Singers are needed. No special musical knowledge is required - just the enthusiasm to participate and a willingness to give some time for rehearsals for what should be a memorable and enjoyable experience. Male voices will be especially welcome. Please contact Tony Wiltshire on 01959 524 887 if you would like to join in.

Knole Decorative and Fine Art Society

The next lecture is on Thursday 21st November when Christopher Bradley will talk about 'Islamic Art'. Islamic Art encompasses the great wealth of artistic treasures inspired by the Islamic religion but there is also non-religious art such as the colourful dancing figures from the pleasure palaces of Persia, the simple mud brick decorations of a merchant caravanserai; or the delicate carved table of the Taj Mahal. This promises to be a truly fascinating lecture. Anyone interested in attending a lecture or joining the Society, please contact Yvonne Stewart on 01732 457852 or email knoledfas@gmail.com

Heritage Centre picture for November & December
'Racing Home' by Roger Clay
Here a Thames Barge takes a short cut across the shallows at high water. Despite the fresh breeze she is still capable of carrying her traditional white staysail in the boisterous conditions. Not having painted since school days, in retirement Roger admired a picture on display in a friend's house and was invited to join the Otford Art Group over a decade ago. Here he paints in oils as they are so forgiving and works hard at the Tuesday morning sessions in order to catch up on all those wasted years!
