Chairman’s Report
The Remembrance Day service in November was extremely well attended with the church filled to capacity and overflowing into the entrance foyer. On a chilly but sunny morning and despite the police no longer being able to provide support for road closures, our band of volunteers ensured that we were able to hold the procession round the pond, followed by a quiet and traffic-free ceremony for reflection, remembrance and laying of wreaths at the memorial. I would like to congratulate all the children who took part in the service for their exemplary behaviour and thank the road stewards for their invaluable contribution. The Poppy Appeal in Otford raised £1307.36.

The village Speedwatch team was out one early morning in November and it was unfortunately a very successful hour for us when over 25 vehicles went past us at 36mph and above the highest being 53mph! The Police also attended and gave drivers immediate warnings or fixed penalty tickets - so be warned we, and they, will be out there somewhere in the village. If you would like to volunteer for Speedwatch please contact the Parish Council office.

The Parish Council is delighted to say that a local family have donated a whole defibrillator and we are very grateful to them and all other residents and companies who have also donated. We are waiting to hear from the Big Community Fund which with other donations, will hopefully allow us to obtain two more. If you would be interested in being trained on the defibrillators than contact the Parish Council Office.
Tree of Light
The Tree of Light service will take place on **Friday 13th December** at 7.00pm on the Village Green. Following the service there will be refreshments offered in the St Bartholomew’s Church Centre. Cheques for your donation need to be made out to Otford Parish Council. The Tree of Light will remain lit up until after the New Year. Donations will once again be going to The Hospice in the Weald.

Next year is the centenary of the outbreak of World War I, The Great War, and it is hoped to have an exhibition of items relating to Otford in WWI.

Otford Remembered - 1914

2014 sees the 100th anniversary of the outbreak of the Great War - a tragic time that brought sorrow and hardship throughout the country. We have a unique opportunity to commemorate that event and remember the people who endured those years. ‘Otford Remembered - 1914’ is a dramatic presentation proposed for Spring 2014. It gives a glimpse of life in Britain and Otford at that time before the outbreak of war. The Otford Community Choir will sing songs of the era - many of them still familiar to us.

HELP IS NEEDED for this community project. Please join in if you can. Singers are needed. No special musical knowledge is required - just the enthusiasm to participate and a willingness to give some time for rehearsals for what should be a memorable and enjoyable experience. Male voices will be especially welcome. Please contact Tony Wiltshire on 01959 524 887 if you would like to join in.

The December lecture which is for **MEMBERS ONLY** is on 19th December. The subject is 'A child of six could do it - cartoonist’s views of modern art'. The next meeting will be on 16th January when Imogen Corrigan will talk about 'The Topsy-Turvy World of Misericords'. The lecture takes the audience on a tour of some of the extraordinary images that exist in over 700 churches in England. The art form was in vogue mainly from the 13th to the 15th centuries and rarely includes religious images despite the misericords being positioned so close to the high altar. Anyone interested in attending a lecture or joining the Society, please contact Yvonne Stewart on 01732 457852 or email knoledfas@gmail.com

**Heritage Centre picture for December** - ’Racing Home’ by Roger Clay

Here a Thames Barge takes a short cut across the shallows at high water. Despite the fresh breeze she is still capable of carrying her traditional white staysail in the boisterous conditions. Not having painted since school days, in
retirement Roger admired a picture on display in a friend’s house and was invited to join the Otford Art Group over a decade ago. Here he paints in oils as they are so forgiving and works hard at the Tuesday morning sessions in order to catch up on all those wasted years!

Christmas tree recycling - Yule love our Free Xmas tree-t

After this year's festivities have ended, Sevenoaks District Council can collect and recycle your real Christmas tree for free. The Council will collect any tree with a trunk of up to 89mm (3.5”) in diameter with its scheduled Garden Waste Collection Service from Monday 30 December until Friday 31 January, except for New Year’s Day. Simply leave your tree by the boundary of your property, where you’d usually put your refuse and recycling sacks, the night before our Garden Waste Collection Service takes place in your road.

If you’re not sure when the service is scheduled for your road, call Sevenoaks District Council on 01732 227000 or e-mail information@sevenoaks.gov.uk. Please be aware that the Council cannot take trees that are decorated or in pots or stands. The good news is that all the trees we collect are turned into environmentally-friendly compost. If your tree is too big for this service, you can recycle the tree at one of Kent
County Council’s Household Waste Recycling sites. Please contact KCC on 03000 417373 for locations and opening times.
