Parish Council

For those interested in all the activities of OPC, the minutes of meetings are available in the library, and all minutes, agendas and newsletters can be obtained via the web (also available in the library). Copies of the Helplines Directory can be printed off for residents if required. They can all be read via http://www.otford.info/parishcouncil. The next meeting will be on Monday 14th February at 7.30pm in the Club Room of Otford Village Hall.

Thankyou

The Parish Council would like to thank residents who during the recent bad weather helped to clear snow/ice on footways for neighbours, those 4x4 owners who did shopping runs and others just for taking care of the more vulnerable residents. Community spirit at its best!

Parish Chairman’s News

Farewell and Welcome. In December we said farewell to Barbara Darby, our parish clerk for the last twenty-five years and welcomed Brenda Hambrook
to take her place. Barbara received a presentation and flowers at a gathering of councillors and other residents on the 10th December. Our MP was unable to be present but Mr Fallon is well acquainted with Otford and summed up everyone’s thoughts by writing, "Mrs Darby has made an extremely valuable contribution to Otford Parish Council over the last 25 years. I would like to thank her for her dedication and hard work". We wish her and Ron a long and very happy retirement and I would like to thank her, especially for the many ways she has assisted me during my period as the chairman. A village gains immensely through such professionalism.

Snowy Otford. As I write the village is labouring under a coating of snow, ice and frost. Kent Highways have fulfilled their regular programme of gritting on main routes and hills, and the District Council workers have treated areas near the High Street shops. The amount and frequency of the snowfalls required 12 hour shifts and 24 hour use of many of the vehicles. The parish council received a small supply of salt/grit just in time to treat the most important parts of the car park and we asked County Highways to treat other parts of Otford that were badly affected. There is a page on the website: "Direct.gov", dealing with householder’s clearing snow and ice from pavements that states, "There’s no law stopping you from clearing snow and ice on the pavement outside your home or from public spaces. It’s unlikely you'll be sued or held legally responsible for any injuries on the path if you have cleared it carefully. It also makes the point: "don’t use the salt found in salting bins - this will be needed to keep the roads clear". And it is put in strategic places for council worker use.

**Letter from Barbara Darby**

Thank you all for the wonderful evening on 10th December which so many attended despite the weather. It was a fantastic end to my term of office and I’m very, very touched by your lovely comments, thanks and incredible generosity shown in the gifts and cheque which I’ve received. It’s been a very rewarding 25 years as Parish Clerk for Otford and I feel I’ve been privileged to try and put something back into the community which has been our home for 37 years. I can honestly say I’ve thoroughly enjoyed my time. Of course there has been the odd occasion when I’ve wondered why I let myself in for it but the overwhelming majority of the time it’s been great and I’m not going into anecdotes now!
The office has progressed from a shed in our garden - which fell down when all the Parish Council records and equipment were moved out - to the far more professional Parish Office in School House which is a lot warmer too, not to mention more central and accessible! The workload has well over doubled since June 1985 when I became Clerk and government policy seems to indicate that it could well increase even more in the future.

I must pay tribute to all (and there have been quite a lot) of the volunteer Parish Councillors who have worked so hard for Otford during my term. They give unstintingly of their time to Otford, often at great inconvenience to themselves, and are usually at the sharp end of any criticism. Thank you too for all the support from our Police, PCSO’s and Community Warden.

My last and greatest thanks must be given to Sue Stephenson, nominally my Assistant Clerk but in reality my partner in crime, my staunchest ally, my very true friend (as to many others), an incredibly hard worker, without whom so many things would not have been achieved (including my farewell), who works so hard for the village, the office and many other things besides. Definitely an unsung heroine.

I leave the office in the very capable hands of Sue, and Brenda Hambrook, my successor, and know you will all give them the support, encouragement and help which I have enjoyed.

Again, thank you all very much and a very Happy New Year to you.

New Year's Resolution - With ever increasing energy prices make it a habit to read your Gas & Electricity meters monthly to keep a check on what you are using with a view to reducing unnecessary consumption.
If you were lucky enough to get a new mobile phone for Christmas, don’t just throw the old one away or leave it in a drawer. Pick up a recycling envelope and send it off to be recycled, and help a charity to benefit at the same time.
