

Building On Logo

Project progress

We are on track! It is intended that the Tender Documents will go out this month, enabling a builder to be appointed some time after Easter and to start work in late Spring. Before this, a specialist firm will be brought in to prepare the site for the builders. As previously stated, it is hoped that the major structural work will be finished and the Green fully reinstated in time for the Remembrance Day Service in November.

Springtime Dinner

This was a thoroughly enjoyable evening and £800 was raised. Thanks are due to the Cheswicks for their generous provision and preparation of the excellent dinner, to all the helpers and musicians and especially to Sally Wostmann who organised the evening.
